4. The selection examination shall consist of a MCQ Paper (60 MCQs) of two hours duration. The content areas from which the questions are based on is described in the prospectus and relevant documents available at the PGIM.
5. The candidates who pass the selection examination by obtaining 50% or more shall be considered for enrolment to the course .
6. **04 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2017”. **The 4th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9 and 10 will have to obtain a mark similar to this or above to be offered a place in the training programme**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates from **State Universities** who are above the cut- off line will be enrolled in the training programme in order of the merit.
9. All candidates from the **Armed Forces (including Police)** who are above the cut- off line will be enrolled in the training programme in order of the merit.
10. All **Non-State Sector** candidates who are above the cut- off line will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
11. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.
12. Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
13. The allocation of training units will be done as described in “General regulations and Guidelines for enrolment -2017 ” and according to the approved procedure by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
14. When a candidate is selected he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate who refused will not be

permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable in the PGIM is submitted.

15. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrollment. When relevant it may be necessary to sign a bond before such enrollment if such a requirement has been decided by the Ministry of Health or University.

16. The relevant information of the training programme, MD Examination, requirements for Board Certification are described in the Prospectus and other relevant documents. However if amendments have been made following printing of the Prospectus, the circulars with such amendments may be collected from the examination branch of the PGIM. These circulars will also be handed over to the selected candidates at the commencement of the training programme.

17. The candidates who shall commence the pre MD (Registrar) or post MD (Senior Registrar) training after 1st August 2011 should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.

18. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.

19. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

20. The prescribed fees for the examination for candidates in the state sector are as follows:

(a) Registration fee	- Rs.	5, 000/= (Non Refundable)
(b) Examination fees	- Rs.	13,500/=
(c) Application fee	- Rs.	2000/-

(candidates from non-state sector will be charged 50% more on the above listed fees)

Only online payment will be accepted by the PGIM

21. The application form could be downloaded from the website www.pgim.cmb.ac.lk on payment of Rs.2000/=. **Only online payment will be accepted by the PGIM**

22. Applications with **every cage duly filled** should be forwarded through the Head of Department. The applications should reach the assistant Registrar/Examinations, PGIM, 160, Norris Canal Road, Colombo 7 on or before **18th April 2017**. The envelope should be marked “ Selection Examination in Clinical Oncology” at the top left hand corner. Incomplete applications will not be considered under any circumstances.

23. The selected candidates should report to the training unit allocated to him/her within one month on receipt of the letter of selection to the training programme and allocation to the training unit.

24. The results will be valid and official after confirmation by the Senate of the University.

25. The candidates will be issued an “**Examination Feedback Form**” with the admission documents and this should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination**. If the form is not returned it will be assumed that you do not have any concerns regarding the examination and it was conducted according to the Prospectus/rules/regulations of the PGIM. **No complaints or concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following release of results nor will these be investigated by the PGIM.**

26. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.

27. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website.

28. The candidate who pass the Selection Examination and are selected for the MD programme should undergo a training module on professionalism organized by the PGIM. Please note that this is a compulsory module for all MD trainees and should be completed within first two years of pre MD training. A certificate will be issued to trainees who follow this module.
