SELECTION EXAMINATION IN MD (COMMUNITY DENTISTRY) - MAY, 2018

01. The above examination will be held on **04thMay, 2018 at the PGIM.**
02. Applications are invited by me from dental surgeons possessing the following requirement;
 - Successfully completed the MSc (Community Dentistry) Examination.
03. The applicants to be eligible for enrolment in the training programme should pass the selection examination. The current format of the selection examination for the perusal of applicants is described in the prospectus 2015 and relevant examination documents are available at the PGIM.
04. The examination shall consist of **one** written paper with **two** structured essay questions of one hour in duration.
05. The candidate has to obtain a minimum of 45% marks for each question with an aggregate of 50% in order to qualify the Selection Examination.
06. All successful candidates of the MD Selection Examination will be eligible to register for the MD training programme in Community Dentistry.
07. Only the scheduled Selection Examination in the approved examination calendar shall be held each year. No repeat or additional examinations will be held.
08. The allocation of training units will be done as described in "General regulations & Guide lines 2017" and according to the approved procedure by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
09. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. A candidate who does not register in the given year will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
