MD (OPHTHALMOLOGY) OPTICS AND REFRACTION EXAMINATION – APRIL 2019

1. The above examination will commence on **23rd April 2019**.
2. Applications are invited by me from medical officers possessing the following requirements to sit the above examination.
 - (a) Should possess six months of training in a recognized training unit after successful completion of MD (Ophthalmology) Ophthalmic Basic Sciences Examination. During this period the trainee is expected to gain proficiency in theoretical and clinical aspects of Optics and Refraction.
 - (b) There will be two Continuous Assessments by a panel of examiners before MD (Ophthalmology) Optics and Refraction examination. The candidate must obtain pass marks in at least in one of the two assessments to be eligible to sit the examination.
 - (c) Satisfactory progress report for the six months of training in Ophthalmology acceptable to the BOS (annexure 12 in prospectus)
3. Past question papers are available for sale in the PGIM Library.
4. Candidates who are eligible to sit the MD (Ophthalmology) Optics and Refraction examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination, or subsequent scheduled examination for reasons not acceptable to the Board of Study the examination will be counted as an attempt.

5. This examination shall consist of three components

- | | | |
