4. Please note that candidate who will join the Post MD training programme following the Obstetrics & Gynecology Part II examination should pass the pre-Board certification Assessment Examination to be eligible for Board Certification after completing 2 years training (1 year Local and 1 year Overseas). The details are available at the PGIM for perusal.
5. Past question papers are available for sale in the PGIM Library.
6. Candidates who are eligible to sit the MD examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.
7. Please note that **candidates are allowed 6 attempts only in the which must be made within a period of 8 years from the date of the first examination.** This requirement will not apply to those candidates who have sat the Selection/Part I examinations before 1998. However after failing the fifth attempt the candidate should undergo a minimum period of one year further training before permitted the sixth attempt.
8. The allocation of training units will be done as described in “General Regulation & Guidelines 2016” which is available on PGIM website www.pgim.cmb.ac.lk The allocated training unit/s shall not be changed for personal reasons.
9. The candidates should commence the overseas training within five years after passing the MD Examination and if not the date of Board Certification will be delayed.
10. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is delay, the Board Certification will be delayed accordingly
11. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However the duration may be more than two years in certain specialties and the information is available in the prospectus.

12. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.
13. The prescribed fees for the examination, shall be as follows:-
 - (a) Registration fee - Rs. 4,000/= (Non Refundable)
