6. Requirements to Pass the MD (Ophthalmology) Selection Examination

- In order to pass a **subject**, a candidate must:

Obtain a minimum closed mark of 20 for that subject (a grade of **PASS - P** or an **EXCELLENT PASS – EP**)

And

Not obtain more than one closed mark of less than 20 in the 3 components (MCQ, Essay and Viva.)

And

Not obtain a closed mark of less than 15 in the essay component.

- To pass **the examination**, a candidate must obtain passes in all 3 subjects in one and the same examination.

7. Only a maximum of **13 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2019”. The **13th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 9, 10, 11 and 12 will have to obtain a mark similar to this or above to be offered a place in the training programme.**

8. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.

9. All candidates attached to **Other Government Ministries** who pass the Selection Examination and **“who are above the cut- off line”** will be enrolled in the training programme in order of the merit.
10. All candidates from the **Non-State Sector** who pass the Selection Examination and **“who are above the cut- off line”** will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
11. All candidates from **State Universities** who pass the Selection Examination and **“who are above the cut- off line”** will be enrolled in the training programme in the order of merit.
12. All candidates from the **Armed Forces (including Police)** who pass the Selection Examination and **“who are above the cut- off line”** will be enrolled in the training programme in the order of merit.
13. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.
14. Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
15. The allocation of training units will be done as described in "General Regulations & Guideline – 2019" and according to the approved procedure by the PGIM based on merit. **The allocated training unit/s shall not be changed for personal reasons.**
16. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate, who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
17. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrollment. When relevant it may be necessary to sign a bond before such enrollment if such a requirement has been decided by the Ministry of Health, other Government Ministries or University.
18. The relevant information of the training program for Pg Diploma, MD programme and requirements for Board Certification are described in the Prospectus and other relevant documents. However, if amendments have been made following printing of the Prospectus, the circulars with such amendments may be collected from the examinations branch office of the PGIM. These circulars will also be handed over to the selected candidates at the commencement of the training programme.

19. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain sub specialties and the information is available in the prospectus.
20. The candidates who shall commence the Pre MD (Registrar) or Post MD (Senior Registrar) training after 1st August 2011 should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.
21. There should be no delay in submitting the dissertation or research report within the stipulated period if required as prescribed in the prospectus. If there is delay, the Board Certification will be delayed accordingly.
22. Following the completion of prescribed requirements for Board Certification including overseas training, the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.
