- c. Obtained a minimum mark of 45% in only one of the three written papers, ie., Paper I, II and III. The candidate should have scored 50% or more in the other components.

5. Trainees could also be Board Certified with special training in **Paediatric Oncology and Haemato - Oncology** A trainee should have obtained prior board approval for such training after being successful at the MD(Clinical Oncology) Part II examination.

6. Past question papers are available for sale in the PGIM Library.

7. Candidates who are eligible to sit the MD Part II examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination, or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examination will be counted as an attempt.

8. Please note that **candidates are allowed only 6 attempts at the MD examination which must be completed within a period of 8 years from the date of first examination.** However, after failing the fifth attempt the candidate should undergo a minimum period of one year further training before permitted the sixth attempt. These requirements will not apply to those candidates who have sat the MD (Clinical Oncology) Part I examination before 1998.

9. The allocation of post MD training units will be done as described in “ General Regulations and Guidelines - 2019” which is available on the PGIM web site www.pgim.cmb.ac.lk .The allocated training units shall not be changed for personal reasons.

10. The candidates should commence the overseas training within five years after passing the MD Examination and if not the date of Board Certification will be delayed.

11. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.

12. The minimum duration of post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain specialties and the information is available in the prospectus.

13. The candidates who shall commence the post MD (Senior Registrar) training after 1st August 2011 should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal. (PBCA)

14. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

15. The prescribed fees for the examination, shall be as follows:-

(a) Registration fee	- Rs. 6,000/= (non refundable)
