

Amendment to Section 5.3.6 of the Prospectus for Board Certification in Neurology 2014

5.3.6 Portfolio

The portfolio should consist of the following:

- *It must include a case record book of a minimum of five case records. Each case record should not exceed 3000 words. One (1) published case report in a refereed journal acceptable to the Speciality Board in Neurology can be substituted for two (2) cases, either if the trainee is the first author of the publication or if the supervisor certifies that the trainee's contribution for the publication justifies exemption.*
