

**Case Reports submitted by MD Surgery trainees
- Amendment to the Prospectus**

As recommended by the Board of Management, the Senate approved the following amendments to the MD Surgery Prospectus 2012.

To be amended as

- To reduce the number of case reports to be submitted by the MD Surgery trainees from 02 to 01
- Trainees should submit the case report ***within the*** first year of Pre MD training

The Senate decided to apply these changes to the candidates who sit for the Selection Examination in Surgery after this decision is approved by the Senate.
