This is for the purpose of authentication and validation of identity of trainees who submit documents electronically. Note that this email also provides access to many other services provided free to trainees, including access to Clinical Key and MS Office packages.

Furthermore, we will shortly be migrating to an online portal for submission of documents, and an official PGIM email address will be a mandatory requirement to enable this.

Kindly note that from 1st November 2020, emails from registered trainees' personal email addresses will not be accepted.
