MD (DERMATOLOGY) EXAMINATION – JANUARY, 2021

1. The Written Component of the above examination will commence on **25th January 2021**. The examination will be held in Colombo.

***The date given in the circular is subject to change due to the current COVID-19 situation of the country. You will be given two weeks' time with the notification of actual date of the examination once the normality of the country is restored**

2. Applications are invited by me from medical officers possessing the following requirements to sit the Examination.
 - (a) Candidate must successfully complete the assessment I
 - (b) Candidate must successfully complete the assessment II
 - (c) Candidate must successfully complete one year period of training in Advanced and Applied Dermatology.
 - (d) Satisfactory progress reports from the trainers.
 - (e) Overall attendance of 80% at every component in each stage of training
 - (f) Satisfactory Completion of **Professionalism and Ethics in Medical Practice Strand (Certificate issued by the PGIM should be submitted along with the application)**
3. The MD (Dermatology examination shall consist of Four components. ie **Written component** (Essay paper, Structured Essay Paper) **OSCE, Clinical Component** (Long Case, Short Cases) and **Viva Voce**.
4. In order to pass the MD examination, a candidate should obtain 60% or more from the final total mark and 60% or more for written examination and 60% or more for Objective Structured Clinical Examination and 60% or more for the clinical examination. In the event a candidate obtains 60% or more for the written examination and fails the clinical components (OSCE and Clinical Cases) he or she can be exempted from the theory paper for a maximum number of two more attempts or for a maximum period of two years whichever occurs earlier from the date of commencement of the examination where the candidate passed the theory component.

5. These candidates are required to submit a fresh application together with a letter indicating whether they would sit again for the theory component or wish to appear only for the clinical and viva components of the examination before the closing date of applications. Candidates who opt for the clinical and viva need to pay the registration fee of Rs. 6,000/-and Rs. 29,500.00/-as the examination fees.
6. The subspecialties available and the number to be allocated to each shall be determined by the Ministry of Health and the qualified candidates will be informed before or at the allocation meeting.
7. Past question papers are available in the PGIM Library. <https://library.pgim.cmb.ac.lk/>
8. Candidates who are eligible to sit the MD examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.
9. Please note that candidates are allowed 6 attempts only, in the MD which must be completed within a period of 8 years from the date of the first examination. However after failing the fifth attempt the candidate should undergo a minimum period of one year further training before permitted the sixth attempt. These requirement will not apply to those candidates who have sat the Selection/Part I examinations before 1998.
10. The allocation of Post MD training units will be done as described in “General Regulation and Guidelines – 2020” which is available on the PGIM website www.pgim.cmb.ac.lk The allocated training units shall not be changed for personal reasons.
11. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the date of effective Board Certification.
12. Post-MD trainees who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training will have their trainee status terminated.
13. There shall be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is delay, the Board Certification will be delayed accordingly.
16. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However the duration is more than two years in sub specialties and the information is available in the prospectus.
17. The candidates who shall commence the Post MD (Senior Registrar) training after August 2011 should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.
18. Following the component of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

19. The prescribed fees for the examination are as follows:-

- (a) Registration fee - Rs. 6000/- (non refundable)
- (b) Examination fees - Rs. 59000/-
- (c) Application fee - Rs. 3000/- (non refundable)

Only online payment through the PGIM online portal will be accepted by the PGIM.

(candidates from non-state sector will be charged 50% more of the above listed fees)

20. The Application form could be download from our website www.pgim.cmb.ac.lk

21. Applications with **every cage duly filled** should be forwarded through the Head of the Department to reach the Assistant Registrar/ Examinations, Postgraduate Institute of Medicine, No. 160, Prof. Nandadasa Kodagoda Mawatha, Colombo 7 on or before on or before **21st Deceber 2020. Incomplete applications and late applications will not be considered under any circumstances.**

22. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website – www.health.gov.lk/

23. Please bring the contents of the Circular to the notice of all medical officers concerned in your department/division/faculty.

24. The results will be valid and official after confirmation by the Senate of the University.

25. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.

26. Candidates are requested to visit the PGIM website www.pgim.cmb.ac.lk for further details.
