JULY 2021**

1. The above examination is scheduled to commence on **06th July 2021**.
2. Applications are invited by me from medical officers in the state and non-state sectors possessing the following requirements to sit the Selection Examination for enrolment to the in-service training programme for Postgraduate Diploma in Venereology: -

- (a) A medical degree registered with the Sri Lanka Medical Council;
- (b) Satisfactory completion of internship acceptable to the Sri Lanka Medical Council;
- (c) Satisfactory completion of one year of post internship in medical/clinical practice in a University/ Public Sector Institution/ Private sector in Sri Lanka acceptable to the PGIM as at the date of closure of applications, **04th June 2021**.

Note :-

The criteria prescribed in paragraph (c) must have been satisfied by the applicants as at the date of closure of applications, provided that where a short-fall has occurred due to any reasons including sick, maternity or other leave, the applicant concerned should complete such shortfall in order to become eligible to apply for the Selection Examination.

3. The applicants to be eligible for enrolment to the training programme should pass the selection examination. The current format of the selection examination for the perusal of applicants is described in the prospectus 2017 and relevant examination documents are available on the PGIM website.
4. The selection examination shall consist of a written paper of three hours duration which will include five (05) essay questions. The content areas from which the questions are based on is described in the prospectus and relevant documents are available at the PGIM web site.
5. The candidates who pass the selection examination by obtaining 50% or more of a total aggregate of 500 marks only shall be considered for enrolment to the course.

6. **06 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2020”. The **06th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9, 10 and 11 will have to obtain a mark equal to this or above to be offered a place in the training programme.**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates attached to **Other Government Ministries** who pass the Selection Examination and “**who are above the cut- off line**” will be enrolled in the training programme in order of the merit.
9. All candidates from the **Non-State Sector** who pass the Selection Examination and “**who are above the cut- off line**” will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
10. All candidates from **State Universities** who pass the Selection Examination and “**who are above the cut- off line**” will be enrolled in the training programme in the order of merit.
11. All candidates from the **Armed Forces (including Police)** who pass the Selection Examination and “**who are above the cut- off line**” will be enrolled in the training programme in the order of merit.
12. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.
13. Each year only the scheduled selection examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
14. The allocation of training units will be done as described in “General Regulations & Guidelines for trainees - 2021” and according to the approved procedure by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
15. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate, who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
16. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrollment. When relevant it may be necessary to sign a bond before such enrollment if such a requirement has been decided by the Ministry of Health, other Government Ministries or Universities.

17. The relevant information of the training program for Pg Diploma, MD programme and requirements for Board Certification are described in the Prospectus and other relevant documents. However, if amendments have been made following printing of the Prospectus, the circulars with such amendments may be collected from the examinations branch office of the PGIM. These circulars will also be handed over to the selected candidates at the commencement of the training programme.
18. The permitted number of attempts of an eligible candidate at a particular PGD selection Examination is unlimited. However, in order to proceed for the MD after being successful at the Postgraduate Diploma examination, the candidate should have passed the Selection Examination for Postgraduate Diploma within 6 attempts. This regulation comes in to effect from 30.09.2020
19. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain sub specialties and the information is available in the prospectus.
20. The candidates who shall commence the Pre MD (Registrar) or Post MD (Senior Registrar) training after 1st August 2011 should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.
21. There should be no delay in submitting the dissertation or research report within the stipulated period if required as prescribed in the prospectus. If there is delay, the Board Certification will be delayed accordingly.
22. Following the completion of prescribed requirements for Board Certification including overseas training, the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.
23. The prescribed fees for the examination for candidates in the state sector as follows: -

(a) Registration fee	- Rs.	8,000/= (Non Refundable)
(b) Examination fees	- Rs.	20,000/= (Non Refundable)

24. The application form can be downloaded from the PGIM website <http://pgim.cmb.ac.lk>.
25. Completed applications with **every cage duly filled** should be forwarded through the Head of Department confirming that the applicants if selected would be released for Postgraduate training in the PGIM. All the candidates should send the scan copy of your application after obtaining all the signatures of relevant authorities to exam@pgim.cmb.ac.lk and applicants are recommended to send the hard copy of the application to the Senior Assistant Registrar/Examinations, Postgraduate Institute of Medicine, 160 Professor Nandadasa Kodagoda Mawatha, Colombo 07 on or before 04th June 2021. If you are unable to send the hard copy of the application, please mention the fact in the same email. Incomplete, handwritten and late applications will not be considered under any circumstances.

26. The selected candidates should report to the training unit allocated to him/her within one month on receipt of the letter of selection to the training programme and allocation to the training unit.
27. Please refer the new regulations laid down by the Ministry of Health regarding release of Medical Officers of Department of Health web site – www.health.gov.lk
28. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
29. The results will be valid and official after confirmation by the Senate of the University.
30. The candidates who will be selected to the MD Venereology training programme should undergo the “Professionalism & Ethics in Medical Practice Strand” Organized by the PGIM. Please note that this is compulsory for all MD trainees and should be completed within the first two years of Pre MD training. A certificate will be issued to trainees who complete this strand successfully.
31. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
32. A trainee following a PG Certificate or PG Diploma or MSc or MD programme shall not be permitted to sit another selection examination for a PG Certificate or PG Diploma or MSc or MD. If the trainee leaves the course before completion of a programme/course of study, he/she shall not be permitted to sit for another selection examination for a minimum period of two years from the date of leaving the programme/course of study. This rule shall not apply for online and part time courses.
