PALLIATIVE MEDICINE – JULY 2021**

1. The above examination is scheduled to commence on **01st July 2021***.

*** The date given in the circular will subject to change due to the current Covid-19 situation of the country. You will be given two weeks' time with the notification of actual date of the examination once the normality of the country is restored.**

2. Applications are invited by me from individuals in the state and non-state sectors possessing the following requirements to sit the Selection Examination for enrolment to the training programme in Postgraduate Diploma in Palliative Medicine.

- a) A medical degree registered with the Sri Lanka Medical Council.
- b) Satisfactory completion of internship acceptable to the Sri Lanka Medical Council.
- c) Satisfactory completion of one year of post-internship service in a university/ public sector/ private sector institution in Sri Lanka acceptable to the PGIM.
- d) The criteria prescribe in paragraph (a) to (c) must have been satisfied by applicant at the date of closure of applications (21st June 2021) for the Selection examination for the Postgraduate Diploma in Palliative Medicine.
- e) Where a shortfall has occurred due to any reasons including sickness, maternity other leave, the applicant should complete such a shortfall to be eligible to apply for the selection examination.

3. The applicants to be eligible for enrolment to the training programme should pass the selection examination. The current format of the selection examination for the perusal of applicants is described in the prospectus 2015.
4. The selection examination will consist of a MCQ paper, which will comprise 40 MCQs of the multiple true/ false type, to be answered in 120 minutes (02 hours) Negative marks will apply only within the question and will not be carried over. Questions on Basic Sciences, Pharmacology, Psychiatry, Medicine, Surgery, Paediatrics and Oncology relevant to Palliative care, based on undergraduate knowledge and expected clinical experience will be included.
5. A candidate must obtain a minimum of 50% of the overall mark in order to pass the Selection Examination and qualify for selection. Final selection will be according to the order of merit based on the overall mark obtained at the Selection Examination.
6. Only a maximum of **15 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2020”. **The 15th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9, 10 and 11 will have to obtain a mark similar to this or above to be offered a place in the training programme.**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates attached to **Other Government Ministries who pass the selection examination and "who are above the cut-off line"** will be enrolled in the training programme in the order of merit.
9. All candidates from the **State Universities** who pass the selection examination and **"who are above the cut-off line"** will be enrolled in the training programme in the order of merit.
10. All candidates from the **Armed Forces** who pass the selection examination and **"who are above the cut-off line"** will be enrolled in the training programme in the order of merit.
11. All candidates from the **Non-State Sector** who pass the selection examination and **"who are above the cut-off line"** will be enrolled in the training programme in the order of merit. They will be placed below the order of merit of candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police), based on the merit within the non-state sector category.
12. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.

13. Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
14. The allocation of training units will be done as described in “General Regulations & Guideline – 2021” and according to the approved procedure by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
15. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate, who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
16. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrolment. When relevant it may be necessary to sign a bond before such enrolment if such a requirement has been decided by the Ministry of Health, other Government Ministries, Universities or Armed Forces.
17. The prescribed fees for the examination for candidates in the state sector are as follows:
