**SELECTION EXAMINATION FOR ENROLMENT TO THE IN-SERVICE TRAINING
PROGRAMME IN RADIOLOGY-SEPTEMBER 2021**

1. The above examination is scheduled to commence on **10th September 2021**.
2. Applications are invited by me from medical officers in the state and non-state sectors possessing the following requirements to sit the Selection Examination for enrolment to the in-service training programme in Radiology.
 - (a) A medical degree registered with the Sri Lanka Medical Council;
 - (b) Satisfactory completion of internship acceptable to the Sri Lanka Medical Council;
 - (c) Satisfactory completion of one year of post internship in medical practice in a University/Public Sector Institution /Private sector (see item 6 in General Regulations and Guidelines 2021) in Sri Lanka acceptable to the PGIM as at the date of closure of applications, ie. **16th August 2021**.

Note :-

The criteria prescribed in paragraph (c) must have been satisfied by the applicants as at the date of closure of applications provided that where a short-fall has occurred due to any reasons including sick, maternity or other leave, the doctor concerned should complete such shortfall in order to become eligible to apply for the Selection Examinations.

3. The applicants to be eligible for enrolment to the training programme should pass the selection examination. The format of the selection examination for the perusal of applicant is described in the prospectus.
4. The selection examination shall consist of a Multiple-Choice Question Paper (40 questions) to be answered in two hours.
5. The candidates who pass the selection examination by obtaining 50% or more marks for the MCQ only shall be considered for enrollment to the course.

Contd..../2-

6. **30 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available on the PGIM website under “General Regulations and Guidelines 2021”. **The 30th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9,10 and 11 will have to obtain a mark similar to this or above to be offered a place in the training programme.**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates attached to **Other Government Ministries** who are above the cut- off line will be enrolled in the training programme in order of the merit.
9. All candidates from **State Universities** who are above the cut- off line will be enrolled in the training programme in order of the merit.
10. All candidates from the **Armed Forces (including Police)** who are above the cut- off line will be enrolled in the training programme in order of the merit.
11. All **Non-State Sector** candidates who are above the cut- off line will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
12. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.
13. Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
14. The allocation of training units will be done as described in “General Regulation & Guidelines 2021” which is available on PGIM website www.pgim.cmb.ac.lk The allocated training unit/s shall not be changed for personal reasons.
15. At the point of post MD allocation, the base specialty and any available subspecialties which are approved at the time of the post MD allocation will be offered to candidates, according to merit. The number of available base specialty and subspecialty training vacancies offered for Post MD training if any will be determined based on the vacancy list provided by the MOH prior to the post MD allocation.
16. **The permitted number of attempts of an eligible candidate at a particular MD Selection Examination is limited to six (06). However, candidates who have already exhausted four (04) or more attempts would be allowed only two (02) more attempts. Those who have sat less than four (04) attempts would be allowed up to a maximum total six (06) attempts. This regulation comes into effect from 27.05.2020.**
17. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate, who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.

18. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrollment. It may be necessary to sign a bond before enrollment if such a requirement has been decided by the Ministry of Health, University, Armed Forces or Other Government Ministries.

19. The relevant information of the training program, MD Examination, requirements for Board Certification are described in the Prospectus and other relevant documents. However if amendments have been made following printing of the Prospectus, the circulars with such amendments may be downloaded collected from the PGIM website.
