Postgraduate Institute of Medicine,
160, Prof. Nandadasa Kodagoda Mawatha,
Colombo 7.
18th August 2021

MD (PSYCHIATRY) EXAMINATION (2013 PROSPECTUS) – SEPTEMBER 2021

1. The above examination will commence on **21st September 2021**.

“The date given in the circular is subject to change due to the current COVID – 19 situation of the country. You will be given two weeks ‘time with the notification of actual date of the examination once the normality of the country is restored”

2. Applications are invited from medical officers possessing the following requirements to sit the above examination.

- (a) Have completed satisfactorily the 3 years clinical training under the supervision of a Consultant Psychiatrist in a Psychiatry Unit recognized by the Board of Study;
- (b) A pass grade at the OSCE examination;
- (c) Acceptance of the Casebook;
- (d) A certificate of the Professionalism & Ethics in Medical Practices Strand organized by the PGIM should be submitted along with the application.

Notes: -

- (I) Candidates who hold an overseas postgraduate qualification (CCST or equalant) in Psychiatry acceptable to the Board of Study in Psychiatry could apply for exemption from the Selection Examination in MD (Psychiatry) and the stipulated training in Stage I. They should apply in the first instant to the Board of Study with supportive documentation of their training programme.
 - (II) Only those whose Case Books have been accepted and approved by the Board of Study would be eligible to sit the examination. No candidate will be allowed to attempt the examination if his/her Case Records Book has not been duly accepted and approved by the Board of Study. The Case Book should have been submitted at least 6 months before the examination.
 - (III) The above criteria must be satisfied before the date of closer of applications for the MD (Psychiatry) examination.
- 3 The applicants to be eligible for enrolment to the Post MD training programme should pass the MD (Psychiatry) examination. The format of the MD (Psychiatry) examination for the perusal applicants is described in the **Prospectus 2013**.

4. The MD (Psychiatry) examination shall consist of Two components. ie **Written component** (MCQ Paper, Essay Paper and Structured Essay Paper), and **Clinical Component** (Long Case, Short Cases and Viva Voce on Patient Management Problems).
5. The candidate should obtain a minimum of 50% marks from each of the two components (i.e. theory component and clinical component) to pass the examination.
6. At the point of post MD allocation, the base specialty and any available subspecialties which are approved at the time of the post MD allocation will be offered to candidates, according to merit. The number of available base specialty and subspecialty training vacancies offered for Post MD training if any will be determined based on the vacancy list provided by the MOH prior to the post MD allocation.
7. Past question papers are available in the PGIM Library.
8. Candidates who are eligible to sit the MD examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination, or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examination will be counted as an attempt.
9. Please note that the **candidates are allowed only 6 attempts of the MD (Psychiatry) examination which must be completed within a period of 8 years from the date of the first examination.** However, after failing the fifth attempt the candidate should undergo a minimum period of one year further training before permitted the sixth attempt. These requirements will not apply to those candidates who have sat the Selection/ Part I examinations before 1998.
10. The allocation of post MD training units will be done as described in “General Regulations and Guidelines -2021” and according to the approved procedure by the PGIM based on merit. The allocated training units shall not be changed for personal reasons.
11. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the date of effective Board Certification.
12. Post-MD trainees who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training will have their trainee status terminated.
13. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.
14. The minimum duration of post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain specialties and the information is available in the prospectus.
15. The candidates who shall commence the post MD (Senior Registrar) training after August 2011 should pass the pre-Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.

16. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

17. The prescribed fees for the examination, shall be as follows :-

(a) Registration fee	- Rs. 8,000/= (non refundable)
(b) Examination fees	- Rs. 74,000/=
(c) Case book Ass. Fee	- Rs. 4,000/= (non refundable)
(d) Application fee	- Rs. 4,000/= (non refundable)

Only online payment through the PGIM online portal will be accepted by the PGIM.

18. The application form can be downloaded from our website www.pgim.cmb.ac.lk

19. All examination applications and other documents are collected through a Google Form. <https://forms.gle/UKXS6d6TfxoRmHHh9> on or before **10th September 2021**. All applicants should have a Gmail Account to log into the google form. PGIM trainees have to use the email account created by the PGIM. You should attach your exam application with all the relevant documents as a **single PDF** document since this portal does not allow you to attach multiple documents. **Please note that incomplete, handwritten, late submissions and applications sent via email will not be accepted.**

20. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website.

21. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.

22. There shall be no repeat or additional examinations which are not scheduled in the approved examination calendar for the year 2021.

23. The results will be valid and official after confirmation by the Senate of the University.

24. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.

25. Candidates are requested to visit the PGIM website for further updates.
