Segment III	OSCE	75 Minutes

Cont..../2

(3) The Viva Voce Component

Portfolio and Portfolio based Viva

20-30 Minutes

4. Requirements to pass the examination: -
 - A total aggregate minimum of 50% and
 - Minimum of 50% in the theory component, with at least 40% in each paper
 - Minimum of 50% in the clinical component, with a minimum of 40% in the long case and a minimum of 50% in the short cases
 - Minimum of 40% in the viva component
5. When a trainee is unsuccessful at one of the prerequisites/ module examination/ assessments during pre MD training, and is therefore not be eligible to sit for the next scheduled MD Examination, the said MD Examination shall be counted as an attempt.
6. Candidates who are eligible to sit the MD examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.
7. Passed theory or clinical component carried over only for one subsequent attempt. In such situation portfolio marks will be carried to subsequent examinations indefinitely. In the event that a candidate does not pass the repeat examination, he/ she shall have to sit for the entire MD end-of -course examination.
8. Please note that candidates are allowed only six (06) attempts at the MD Examination which must be completed within a period of eight (08) years from the date of the first Examination. However, after failing fifth (05) attempt the candidate should undergo a minimum period of one year further training before permitted the sixth (06) attempt. These requirements will not apply for those candidates who have sat the Selection/ Part I examinations before 1998.
9. The allocation of training units will be done as described in “General Regulation & Guidelines 2022” which is available on PGIM website www.pgim.cmb.ac.lk The allocated training unit/s shall not be changed for personal reasons.
10. Post-MD Trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the effective date of Board Certification. The trainee status of trainees will be terminated those who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training.
11. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. Any delay will be added to the effective date of Board Certification.
12. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain specialties and the information is available in the prospectus.

13. The candidates should pass the Pre- Board Certification Assessment to be eligible for Board Certification. The details are available on the PGIM website.
14. The trainees must, within one (01) calendar month of satisfactory completion of the prescribed requirements, apply for Board Certification. All documents must be submitted with the application. Failure to do so will result in a delay of effective date of Board Certification.
15. The prescribed fees for the examination, shall be as follows:-
 - (a) Registration fee Rs. 8,000/= (Non Refundable)
 - (b) Examination fee Rs. 74,000/=
 - (c) Application fee Rs. 4,000/= (Non Refundable)
 - (c) Assessment fee Rs. 8,000/= (Non Refundable)

(Candidates from non-state sector will be charged 50% more of the above listed fees)

Only online payments through the PGIM online portal will be accepted

16. The application form can be downloaded from the website <http://pgim.cmb.ac.lk>
17. All examination applications and other documents are collected through a Google Form <https://forms.gle/vqffdkgNqiZ1DXcG9> on or before 10th March 2022. All applicants should have a Gmail Account to log into the google form. PGIM trainees have to use the email account created by the PGIM. You should attach your exam application with all the relevant documents as a single PDF document since this portal does not allow you to attach multiple documents. **Please note that incomplete, handwritten, late submissions and applications sent via email will not be accepted.**
18. There shall be no repeat or additional examinations which are not scheduled in the approved examination calendar for the year 2022.
19. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website – www.health.gov.lk
20. The results will be valid and official only after confirmation of the Senate of the University of Colombo.

21. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (e.g. perceived biases, discriminatory behavior, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
22. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
23. Candidates are requested to visit the PGIM website www.pgim.cmb.ac.lk for further updates.
