**MD (ANAESTHESIOLOGY) FINAL EXAMINATION – AUGUST 2022**

1. The above examination will commence on **10<sup>th</sup> August 2022**.
2. Applications are invited from medical officers possessing the following requirements to sit the above examination.
  - (a) Passed the MD (Anaesthesiology) Part IA and MD(Anaesthesiology) Part IB (Basic Sciences) examinations.
  - (b) Satisfactory completion of the 2 ½ years full time clinical training programme as prescribed in prospectus 2009.

and

  - (c) Should have completed Professionalism and Ethics in Medical Practice Strand- (**certificate to be submitted along with the application.**)

Note :-

- (a) Candidates possessing recognized foreign specialist qualification/should make a formal application with documentations in order to be considered for exemption from the Parts IA and 1B and the Clinical training period, to sit the Final examination. Certified copies of the clinical appointments completed as prescribed in the regulations and the certified copies of primary/final examination certificates must be forwarded for scrutiny by the Board of Study.
- (b) Only those whose Case Books have been already accepted and approved by the Board of Study would be eligible to sit the Final examination. Case Books should have been submitted at least 6 months before the examination.

Contd...2/

3. To be eligible for enrolment to the Stages IV and V of the training programme applicants should pass the MD (Anaesthesiology) Final examination. The current format of the MD (Anaesthesiology) final examination is described in the Prospectus 2009.
4. The MD (Anaesthesiology) examination shall consist of five components. ie Long Essay Paper, Short Answer Question Paper, Viva I, Viva 2 and Clinicals.
5. In order to pass the examination a candidate must obtain a minimum closed mark of 3, 3, 3, 3, 2 in each of the above Six separate components of the examination.
6. At the point of post MD allocation, the base specialty and any available subspecialties which are approved at the time of the post MD allocation will be offered to candidates, according to merit. The number of available base specialty and subspecialty training vacancies offered for Post MD training if any will be determined based on the vacancy list provided by the MOH prior to the post MD allocation.
7. Past question papers are available in the PGIM Library.
8. Candidates who are eligible to sit the MD final examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination, or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.
9. **Please note that candidates are allowed only 6 attempts at the final examination which must be made within a period of 8 years from the date of first examination.** However, after failing the fifth attempt the candidate should undergo a minimum period of one-year further training before permitted to sit for the sixth attempt. These requirements will not apply to those candidates who have sat the Anaesthesiology Part IB examination before 1998.
10. The allocation of training units will be done as described in “ General Regulation & Guidelines 2022” which is available on PGIM website [www.pgim.cmb.ac.lk](http://www.pgim.cmb.ac.lk) The allocated training unit/s shall not be changed for personal reasons.
11. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the date of effective Board Certification.
12. Post-MD trainees who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training will have their trainee status terminated.

13. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.

14. The minimum duration of post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However, the duration may be more than two years in certain specialties and the information is available in the prospectus.

15. The candidates who commenced the pre MD (Registrar) or Post MD (Senior Registrar) training after 1<sup>st</sup> August 2011 should pass the Pre- Board Certification Assessment to be eligible for Board Certification. The details are available at the PGIM for perusal.

16. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee should apply for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

17. The prescribed fees for the examination, shall be as follows :-

- |                        |                                |
|------------------------|--------------------------------|
| (a) Registration fee   | - Rs. 8,000/= (non refundable) |
| (b) Examination fees   | - Rs. 74,000/=                 |
| (c) Case book Ass. Fee | - Rs. 4,000/= (non refundable) |
| (d) Application fee    | - Rs. 4,000/= (non refundable) |
| (e)                    |                                |

(Candidates from non-state sector will be charged 50% more of the above listed fees)

**Only online payment through the PGIM online portal will be accepted by the PGIM.**

18. The application form can be downloaded from our website [www.pgim.cmb.ac.lk](http://www.pgim.cmb.ac.lk)

19. All examination applications and other documents are collected through a Google Form. <https://forms.gle/6MeqeyKWEu7LLgxT7> on or before **12<sup>th</sup> July 2022**. All applicants should have a Gmail Account to log into the google form. PGIM trainees have to use the email account created by the PGIM. You should attach your exam application with all the relevant documents as a **single PDF** document since this portal does not allow you to attach multiple documents. **Please note that incomplete, handwritten, late submissions and applications sent via email will not be accepted.**

20. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website.

21. The results will be valid and official after confirmation by the Senate of the University.

22. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
23. Candidates are requested to visit the PGIM website ([www.pgim.cmb.ac.lk](http://www.pgim.cmb.ac.lk))
24. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
