Contd.../2-

4. The candidates should obtain minimum marks as follows to be successful at the examination
 - **A minimum of 50% overall for the entire examination**
AND
 - **A minimum of 50% for the theory component (Essay Papers)**
AND
 - **An overall 50% for the entire practical component and a minimum of 50% for each of the four sub components of the practical examination.**
AND
 - **Obtain 50% or more for a minimum of 8 out of 15 of the OSPE/OSCE stations.**
5. The application form can be downloaded from the website <http://pgim.cmb.ac.lk>
6. Candidates who are eligible to sit the MD examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.
7. Please note that candidates are allowed only six (06) attempts at the MD Examination which must be completed within a period of eight (08) years from the date of the first examination. However, after failing the fifth (05) attempt the candidate should undergo a minimum period of one year further training before permitted the sixth (06) attempt.
8. The allocation of training units will be done as described in “General Regulation and Guidelines 2022” which is available on the PGIM website www.pgim.cmb.ac.lk and according to the approved procedures by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
9. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the date of effective Board Certification. Post-MD trainees who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training will have their trainee status terminated.
10. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is delay, the Board Certification will be delayed accordingly.
11. The minimum duration of Post MD training required to be eligible for Board Certification shall be one year local and one year overseas. However the duration may be more than two years in certain specialties and the information is available in the prospectus.
12. Following the completion of prescribed requirements for Board Certification including overseas training the prospective trainee applies for Board Certification with the relevant documents within one month following the completion of such requirements. If this is not followed, the date of Board Certification will be delayed.

13. The prescribed fees for the examination, shall be as follows:
- | | | |
|---------------------|---|-------------------------------|
| a) Registration fee | - | Rs. 8,000.00 (non refundable) |
| b) Examination fee | - | Rs. 74,000.00 |
| c) Application fee | - | Rs. 4,000.00(non refundable) |
- (candidates from non-state sector will be charged 50% more of the above listed fees)

Note that the only payments made through the PGIM online portal will be accepted

14. The Application form can be download from our website www.pgim.cmb.ac.lk
15. All examination Applications and other documents are collected through a Google Form. <https://forms.gle/bZD1GcZRYfzV3A3z8> on or before 12 August 2022. Candidates have to use the email accounts created by the PGIM to access the Google form. The exam application with all relevant documents must be attached as a **single pdf** documents since this portal does not allow uploading of multiple documents. **Please note that incomplete, handwritten, late submission and application sent via email will not be accepted.**
16. Each year only the scheduled MD examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
17. Please refer the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website – www.health.gov.lk
18. The results will be valid and official only after they are approved by the Senate of the University.
19. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and **NOT** regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
20. Candidates are requested to visit the PGIM website www.pgim.cmb.ac.lk
21. Please bring the contents of this Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
