5. A candidate must obtain a minimum of 50% of the overall mark in order to pass the Selection Examination and qualify for selection. Final selection will be according to the order of merit based on the overall mark obtained at the Selection Examination.
6. Only a maximum of **15 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely on the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2022”. The **15th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9, 10 and 11 will have to obtain a mark similar to this or above to be offered a place in the training programme.**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates attached to **Other Government Ministries** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in the order of the merit.
9. All candidates attached to the **State Universities** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in the order of the merit.
10. All candidates from the **Armed Forces (including Police)** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in the order of the merit.
11. All **Non-State Sector candidates who pass the selection examination and who are above the cut-off line** will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
12. The above numbers shall not be changed, nor shall requests for such changes be entertained following the examination and after the release of results.
13. Each year only the scheduled Selection Examination in the approved examination calendar will be held. **No repeat or additional examinations will be held.**
14. The allocation of training units will be done as described in “General Regulations & Guideline – 2022” which is available on the PGIM web site: <http://pgim.cmb.ac.lk/> The allocated training unit/s shall not be changed for personal reasons.
15. As per PGIM regulation of 27.05.2020, the permitted number of attempts limited to six (06). Candidates who have exhausted four (04) or more attempts at 27.05.2020 will be allowed only two (02) more attempts.

16. When a candidate is selected, he/she should register in the same year. If a candidate fails to do so, another eligible candidate will be selected. Any candidate who refuses to register in the current year, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
17. A fulltime release from the candidate's current employer – i.e. Ministry of Health/ other Government Ministries, Universities or by the Armed Forces is a prerequisite for enrolment in all fulltime training programmes. It may be necessary to sign a bond before such enrollment if it is required by the candidate's employer.
18. The prescribed fees for the examination for candidates from the state sector are as follows:
