**SELECTION EXAMINATION FOR POSTGRADUATE DIPLOMA IN
TRANSFUSION MEDICINE – OCTOBER 2023**

1. The above examination is scheduled to commence on **10 October 2023**.
 2. Applications are invited by me from medical officers in the state and non-state sectors possessing the following requirements to sit the Selection Examination for Postgraduate Diploma in Transfusion Medicine.
 - (a) A medical degree registered with the Sri Lanka Medical Council;
 - (b) Satisfactory completion of internship acceptable the Sri Lanka Medical Council;
 - (c) Satisfactory completion of one year of post internship in medical/ Clinical practice or teaching in a University/ Public / Private Sector Institution/ Non-state Sector in Sri Lanka acceptable to the PGIM as at the date of closure of applications, ie. **11 September 2023**.
- Notes:-** The criteria prescribed in paragraph (c) must have been satisfied by the applicants as at the date of closure of applications, provided that where a short-fall has occurred due to any reasons including sick, maternity or other leave, the doctor concerned should complete such shortfall in order to become eligible to apply for the Selection Examination.
3. The applicants should pass the selection examination to be eligible for enrolment to the training programme. The current format of the selection examination is described in the prospectus 2012.
 4. The selection examination shall consist a Written Paper of Structured Essay Questions of three hours duration. The content areas from which the questions are based on is described in the prospectus and relevant documents available on the PGIM website.
All 6 questions should be answered.
 5. Candidates who pass the selection examination by obtaining 50% or more of the total aggregate only shall be considered for enrolment to the course.
 6. Past question papers are available in the PGIM Library. (library.pgim.cmb.ac.lk/)
 7. Only a maximum of **08 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely on the order of merit. The details are available on the PGIM website under “General Regulations and Guidelines 2023”. The **08th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 09, 10, 11 & 12 will have to obtain a mark similar to this or above to be offered a place in the training programme.**

8. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
9. All candidates attached to **Other Government Ministries** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in order of the merit.
10. All candidates from **State Universities** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in order of the merit.
11. All candidates from the **Armed Forces (including Police)** who pass the selection examination and are above the cut-off line will be enrolled in the training programme in order of the merit.
12. All **Non-State Sector** candidates who pass the selection examination and are above the cut-off line will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other government Ministries, State Universities, and Armed Forces (including Police) based on the merit within the non-state sector category.
13. The above numbers shall not be changed nor shall requests for such changes be entertained following the examination and after the release of results.
14. Each year only the scheduled Selection Examination in the approved examination calendar will be held. **No repeat or additional examinations will be held.**
15. The allocation of training units will be done as described in “General Regulation and Guidelines 2023” which is available on the PGIM web site: <https://pgim.cmb.ac.lk/> The allocated training unit/s shall not be changed for personal reasons.
16. The permitted number of attempts of an eligible candidate at a particular PGD selection Examination is unlimited. However, in order to proceed for the MD after being successful at the Postgraduate Diploma examination, the candidate should have passed the Selection Examination for Postgraduate Diploma within 6 attempts. This regulation comes into effect from 30.09.2020
17. When a candidate is selected, he/she should register in the same year. If a candidate fails to do so, another eligible candidate will be selected. Any candidate who refuses to register in the current year, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
18. A fulltime release from the candidate’s current employer – i.e. Ministry of Health / other Government Ministries, Universities or by the Armed Forces is a prerequisite for enrollment in all fulltime training programmes. It may be necessary to sign a bond before such enrollment if it is required by the candidate’s employer.
19. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the date of effective Board Certification. The trainee status of trainees will be terminated in those who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training.

20. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. Any delay will be added to the effective date of Board Certification.
21. The trainees must, within one (1) calendar month of satisfactory completion of the prescribed requirements, apply for Board Certification. All relevant documents must be submitted with the application. Failure to do so will result in a delay of effective date of Board Certification.
22. The candidates should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available on the PGIM web site.
23. The prescribed fees for the examination for candidates in the state sector are as follows:
 - (a) Registration fee - Rs. 12,500/- (non refundable)
 - (b) Examination fees - Rs.31,000/-
 - (c) Application fee - Rs. 5,500/- (non refundable)(candidates from non-state sector will be charged 50% more of the above listed fees)

Note that the only payments made through the PGIM online portal will be accepted

24. The application form can be download from our website www.pgim.cmb.ac.lk
25. The relevant information regarding the training programme, and requirements for Board Certification are detailed in the Prospectus 2012 and in other relevant documents published in the PGIM website.
26. All examination Applications and other documents are collected through a Google Form. <https://forms.gle/ZWpNCWGUooKmYTtYQA> on or before 11 September 2023. All applicants should have a Gmail Account to access the google form. The exam application with all relevant documents must be attached as a **single PDF** document since this portal does not allow uploading of multiple documents. **Please note that incomplete, handwritten, late submission and application sent via email will not be accepted.**
27. The selected candidates should report to the training unit allocated to him/ her within one month on receipt of the letter of selection to the training programme and allocation to the training unit.
28. Please refer to the new regulations laid down regarding the release of Medical Officers of Department of Health in MOH website - www.health.gov.lk.
29. The results will be valid and official after confirmation by the **Senate of the University**.
30. The candidates will be issued an **“Examination Feedback Form”** with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and **NOT** regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
31. The candidates who will be selected to the MD Transfusion Medicine training programme should undergo the “Professionalism & Ethics in Medical Practice Strand” Organized by the PGIM. Please note that this is compulsory for all MD trainees and should be completed within the first two years of Pre MD training. A certificate will be issued to trainees who complete this strand successfully.

32. The orientation programme on 'PGIM library resources and services' is mandatory for all postgraduate trainees who enter PGIM training programmes. Please refer <https://library.pgim.cmb.ac.lk/> for more information.
33. A trainee following a PG Certificate or PG Diploma or MSc or MD programme shall not be permitted to sit another selection examination for a PG Certificate or PG Diploma or MSc or MD. If the trainee leaves the course before completion of a programme/course of study, he/she shall not be permitted to sit for another selection examination for a minimum period of two years from the date of leaving the programme/course of study. This rule shall not apply for online and part time courses.
34. Candidates are requested to visit the PGIM website www.pgim.cmb.ac.lk for further updates.
35. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
