SELECTION EXAMINATION MD IN CLINICAL NUTRITION – NOVEMBER 2023

1. The above examination is scheduled to commence on **10th November 2023**.
2. Applications are invited by me from medical officers in the state and non-state sectors possessing the following requirements to sit the Selection Examination for enrolment to the training programme in MD Clinical Nutrition.
 - (a) Hold a medical degree registered with the Sri Lanka Medical Council;
 - (b) Satisfactory completion of internship acceptable to the Sri Lanka Medical Council;
 - (c) Satisfactory completion of one year of full-time post internship in Medical/ Clinical practice in a university/public/private sector institution in Sri Lanka acceptable to the PGIM as at the date of closure of applications i.e. on **12th October 2023**.
 - (d) Successful completion of MSc in Human Nutrition of the Postgraduate Institute of Medicine, University of Colombo within last six years.
 - (e) One year of experience working in a Clinical Nutrition unit after obtaining the MSc in Human Nutrition.
 - (f) Complying with any other PGIM general regulations relevant to selection of trainees.

Note: The criteria prescribed in paragraph (e) must have been satisfied by the applicants as at the date of closure of applications, provided that where a short- fall has occurred due to any reasons including sick, maternity or other leave, the doctor concerned should complete such shortfall in order to become eligible to apply for the Selection Examination.
3. The applicants to be eligible for enrolment to the training programme should pass the selection examination. The current format of the selection examination is described in the prospectus 2016.
4. The selection examination consist of a MCQ paper which is a 90 minutes paper, and consist of 02 parts.
 - 20 MCQs of the True/ False type
 - 15 MCQs of the Single Best Answer type

5. The MCQ papers will be held on 10th November 2023. Only those who obtain a minimum aggregate of 50% or more shall be allowed to proceed for the course which will be held on a subsequent date decided by the Interim Specialty Board in Nutrition.
6. **Only a maximum of 20 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available at the Examination Branch office of the PGIM and on the PGIM website under “General Regulations and Guidelines 2023”. **The 20th MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9, 10 and 11 will have to obtain a mark similar to this or above to be offered a place in the training programme.**
7. The final number of available training placements will be determined based on the total number of candidates above the cut-off line.
8. All candidates attached to **Other Government Ministries** who pass the Selection Examination and are above the cut-off line will be enrolled in the training programme in order of merit.
9. **All Non-State Sector** candidates who pass the Selection Examination and are above the cut-off line will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
10. All candidates from **State Universities** who pass the Selection Examination and are above the cut-off line will be enrolled in the training programme in the order of merit.
11. All candidates from the **Armed Forces (including Police)** who pass the Selection Examination and are above the cut-off line will be enrolled in the training programme in the order of merit.
12. Following the examination and release of results the above numbers shall not be changed nor shall requests for such changes be entertained.
13. Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
14. The allocation of training units will be done as described in “General Regulations & Guidelines for trainees - 2023” and according to the approved procedure by the PGIM based on merit. The allocated training unit/s shall not be changed for personal reasons.
15. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted.
16. A fulltime release from the candidate’s current employer-i.e., Ministry of Health, Other Government Ministries, Universities or by the Armed Forces – is a prerequisite for enrollment in all fulltime training programmes. It may be necessary to sign a bond before such enrollment if it is required by the candidate’s employer.

17. As per PGIM regulation of 27.05.2020, the permitted number of attempts limited to six (06). Candidates who have exhausted four (04) or more attempts at 27.05.2020 will be allowed only two (02) more attempts.
18. The prescribed fees for the examination for candidates in the state sector as follows:-

(a) Application fee	- Rs. 6,500/= (Non Refundable)
(b) Registration fee	- Rs. 12,500/= (Non Refundable)
(c) Examination fees	- Rs. 72,000/=

(Candidates from non state sector will be charged 50% more of the above listed fees)

Note that Only online payments through the PGIM online portal will be accepted
19. The application form can be downloaded from the website <http://pgim.cmb.ac.lk/>.
20. All examination applications and other documents are collected through a Google Form <https://forms.gle/sSkrVkpRQRvz8p6CA> on or before 12th October 2023. All applicants should have a Gmail account to access the google form. The exam application with all the relevant documents must be attached as a single PDF document since this portal does not allow uploading of multiple documents. Please note that incomplete, handwritten, late submissions and applications sent via email will not be accepted.
21. The selected candidates should report to the training unit allocated to him/her within one month of receipt of the letter of selection to the training programme and allocation to the training unit.
22. Please refer the new regulations laid down by the Ministry of Health regarding release of Medical Officers of Department of Health web site – www.health.gov.lk
23. The relevant information of the training programme, requirements for Board Certification are detailed in the Prospectus 2016 and other relevant documents published in the PGIM website.
24. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the effective date of Board Certification. The trainee status of trainees will be terminated in those who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training.
25. The minimum duration of post MD training required to be eligible for Board Certification should be one year local & one year overseas. However the duration may be more that two years in certain specialties and the information is available in the prospectus.
26. The candidates should pass the Pre-Board Certification Assessment to be eligible for Board Certification. The details are available on the PGIM website.
27. There should be no delay in submitting the research report within the stipulated period as prescribed in the prospectus. Any delay will be added to the effective date of the Board Certification

28. The trainees must, within one (1) calendar month of satisfactory completion of the prescribed requirements, apply for Board Certification. All relevant documents must be submitted with the application. Failure to do so will result in a delay of effective date of Board Certification.
29. The results will be valid and official after confirmation by the Senate of the University.
30. The candidates will be issued an **“Examination Feedback Form”** with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results**, nor will these be investigated by the PGIM.
31. The candidate who pass the Selection Examination and are selected for the MD programme should undergo the Professionalism & Ethics in Medical Practice Strand organized by the PGIM. Please note that this is compulsory for all MD trainees and should be completed within the first two years of pre-MD training. A certificate will be issued to trainees who complete this strand successfully.
32. The orientation programme on ‘PGIM library resources and services’ is mandatory for all postgraduate rainees who enter PGIM training programmes. Please refer <http://library.pgim.cmb.ac.lk/> for more informations.
33. A trainee following a PG Certificate or PG Diploma or MSc or MD programme shall not be permitted to sit another selection examination for a PG Certificate or PG Diploma or MSc or MD. If the trainee leaves the course before completion of a programme/course of study, he/she shall not be permitted to sit for another selection examination for a minimum period of two years from the date of leaving the programme/course of study. This rule shall not apply for online and part time courses.
34. Candidates are requested to visit the PGIM website <https://pgim.cmb.ac.lk/> for further updates.
35. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/ division/ faculty.
