4. Pass mark of each component is 50%case

- (i) A mark 50% or more is obtained in each of the seven components of the examination.
or
- (ii) In the event that a score of 50% is not obtained for any one of the written components of the examination the candidate will be considered to have passed theexamination **if all the following criteria are met.**
 - a. An aggregate mark of 50% or more is obtained when the marks of all sevencomponents is totaled
 - b. Has obtained a score of 50 % or more in each of the clinical components, long case, short cases, practical treatment planning and viva voce and,
 - c. Obtained a minimum mark of 45% in only one of the three written papers i.e., Paper I,II and III . The candidate should have scored 50% or more in the other components.

- 5. At the point of post MD allocation, the base specialty and any available subspecialties which are approved at the time of the post MD allocation will be offered to candidates, according to merit. The number of available base specialty and subspecialty training vacancies offered for Post MD training if any will be determined based on the vacancy list provided by the MOH prior to the post MD allocation.
- 6. Candidates who are eligible to sit the MD Part II examination are required to be present for the first scheduled examination after completion of the training programme. If a candidate does not apply or does not sit the first scheduled examination, or subsequent scheduled examinations for reasons not acceptable to the Board of Study, the examinations will be counted as attempts.

7. Please note that the **candidates are allowed only 6 attempts to pass the MD (Clinical Oncology) part II examination which must be made within a period of 8 years from the date of the first examination.** However, after failing the fifth attempt the candidate should undergo a minimum period of one year of further training before permitted to sixth attempt.
8. The allocation of post MD training units will be done as described in “General Regulations and Guidelines -2023” which is available on the PGIM web site www.pgim.cmb.ac.lk The allocated training units shall not be changed for personal reasons.
9. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the effective date of Board Certification. The trainee status of trainees will be terminated in those who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training.
10. Trainees could also be Board Certified with special training in **Paediatric - Oncology and Haemato - Oncology.** A trainee should have obtained prior board approval for such training after being successful at the MD (Clinical Oncology) Part II examination.
11. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.
12. The minimum duration of post MD training required to be eligible for Board Certification in Clinical Oncology shall be one year local and one year overseas. However, the duration may be more than two years in certain specialties and the information is available in the prospectus.
13. The candidates should pass the Pre- Board Certification Assessment to be eligible for Board Certification. The details are available on the PGIM website for perusal.
14. The trainees must, within one (01) calendar month of satisfactory completion of the prescribed requirements, apply for Board Certification. All relevant documents must be submitted with the application. Failure to do so will result in a delay of the effective date of Board Certification.
15. The prescribed fees for the examination, shall be as follows :-
 - a. Registration fee - Rs. 12,500/= (Non refundable)
 - b. Examination fees - Rs 114,000/=
 - c. Application Fee -Rs.6,500/=(Non refundable)(Candidates from non-state sector will be charged 50% more of the above listed fees)

16. Repeat candidates who are exempted from one component are required to submit the application together with a letter indicating whether they would sit again for the theory or Practical component of the examination before the closing date of applications. Repeat candidates who are exempted from one component need to pay the registration fee of Rs. 12,500/=, Application fee of Rs. 6,500/= and Rs. 57,000/= as the examination fees.
17. The application form can be downloaded from our website www.pgim.cmb.ac.lk
18. All examination Applications and other documents are collected through a Google Form. <https://forms.gle/53Ed1qdU7vLBqayb9> on or before **24th November 2023**. Trainees have to use the email account created by the PGIM. The exam application with all relevant documents must be attached as a **single PDF** document since this portal does not allow uploading of multiple documents. **Please note that incomplete, handwritten, late submission and application sent via email will not be accepted.**
19. The results will be valid and official after confirmation by the Senate of the University.
20. Please refer to the new regulations laid down by Ministry of Health regarding release of Medical Officers of Department of Health in MOH website.
21. Each year only the scheduled examination in the approved examination calendar shall be held. No repeat or additional examination will be held,
22. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behaviour, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.
23. Candidates are requested to visit the PGIM website (www.pgim.cmb.ac.lk) for further updated details.
24. Please bring the contents of the Circular Letter to the notice of all medical officers concerned in your department/division/faculty.
