SELECTION EXAMINATION IN RADIOLOGY-SEPTEMBER 2024 (PROSPECTUS 2015)

1. The above examination is scheduled to commence on **13th September 2024**.
2. Applications are invited by me from medical officers in the state and non-state sectors possessing the following requirements to sit the Selection Examination for enrolment to the in-service training programme in Radiology.
 - (a) A medical degree registered with the Sri Lanka Medical Council
 - (b) Satisfactory completion of internship acceptable to the Sri Lanka Medical Council;
 - (c) Satisfactory completion of one year of post internship in medical practice in a University/Public Sector Institution /Private sector (see item 6 in General Regulations and Guidelines 2024) in Sri Lanka acceptable to the PGIM as at the date of closure of applications, ie. **16th August 2024**.

Note :-

The criteria prescribed in paragraph (c) must have been satisfied by the applicants as at the date of closure of applications provided that where a short-fall has occurred due to any reasons including sick, maternity or other leave, the doctor concerned should complete such shortfall in order to become eligible to apply for the Selection Examinations.

3. The applicants to be eligible for enrolment to the training programme should pass the selection examination The current format of the selection examination is described in the Radiology prospectus 2015.
4. The selection examination shall consist of a Multiple-Choice Question Paper (40 questions) to be answered in two hours.
5. The candidates who pass the selection examination by obtaining 50% or more marks for the MCQ only shall be considered for enrollment to the course.
6. **22 candidates** from the **Ministry of Health (MOH)** who pass the Selection Examination will be enrolled in the training programme. Placements will be made purely in the order of merit. The details are available on the PGIM website under “General Regulations and Guidelines 2024”. **The 22 MOH candidate’s marks will be taken as a cut-off line and the candidates in sections 8, 9 ,10 and 11 will have to obtain a mark similar to this or above to be offered a place in the training programme.**

7. The final number of available training placements will be determined based on the total number of candidates above the cut-offline.
8. All candidates attached to **Other Government Ministries** who pass the selection examination and are above the cut- offline will be enrolled in the training programme in the order of merit.
9. All candidates from **State Universities** who pass the selection examination and are above the cut- offline will be enrolled in the training programme in the order of merit.
10. All candidates from the **Armed Forces (including Police)** who pass the selection examination and are above the cut- offline will be enrolled in the training programme in the order of merit.
11. All **Non-State Sector** candidates who pass the selection examination and who are above the cut- off line will be enrolled in the training programme. They will be placed below the order of merit for candidates from the MOH, Other Government Ministries, State Universities and Armed Forces (including Police) based on the merit within the non-state sector category.
12. The above numbers shall not be changed, nor shall requests for such changes be entertained following the examination and after the release of results.
- 13 Each year only the scheduled Selection Examination in the approved examination calendar shall be held. No repeat or additional examinations will be held.
14. The allocation of training units will be done as described in “General Regulation & Guidelines 2024” which is available on PGIM website www.pgim.cmb.ac.lk The allocated training unit/s shall not be changed for personal reasons.
15. At the point of post MD allocation, the base specialty and any available subspecialties which are approved at the time of the post MD allocation will be offered to candidates, according to merit. The number of available base specialty and subspecialty training vacancies offered for Post MD training if any will be determined based on the vacancy list provided by the MOH prior to the post MD allocation.
16. **The permitted number of attempts of an eligible candidate at a particular MD Selection Examination is limited to six (06). However, candidates who have already exhausted four (04) or more attempts would be allowed only two (02) more attempts. Those who have sat less than four (04) attempts would be allowed up to a maximum total six (06) attempts. This regulation comes into effect from 27.05.2020.**
17. When a candidate is selected, he/she should register in the same year. If this is not done another eligible candidate will be selected. And the candidate, who refused, will not be permitted to register in the programme in a subsequent year with the same results unless a valid medical certificate from a consultant acceptable to the PGIM is submitted

18. For all fulltime training programmes fulltime release from Ministry of Health is a prerequisite for enrollment. When relevant it may be necessary to sign a bond before such enrollment if such arequirement has been decided by the Ministry of Health, Other Government Ministries or Universities or Armed Forces.

19. The relevant information regarding the training programme and requirements for Board Certification are detailed in the Prospectus 2015 and in other relevant documents published in the PGIM website.

20. Post-MD trainees should commence post-MD overseas training within two (02) years after the expected date of completing local post-MD training. Any delay will be added to the effective date of Board Certification. The trainee status of trainees will be terminated in those who delay commencing overseas post-MD training by more than four (04) years after the expected date of completing local post-MD training.

21. There should be no delay in submitting the dissertation or research report within the stipulated period as prescribed in the prospectus. If there is a delay, the Board Certification will be delayed accordingly.

22. The trainees must, within one (1) calendar month of satisfactory completion of the prescribed requirements, apply for Board Certification. All relevant documents must be submitted with the application. Failure to do so will result in a delay of effective date of Board Certification.

23. The candidates should pass the Pre-Board Certification Assessment to be eligible for Board Certification.

24. The prescribed fees for the examination for candidates in the state sector as follows :-

| | |
|----------------------|---------------------------------|
| (a) Registration fee | - Rs. 14 000/= (Non Refundable) |
| (b) Examination fees | - Rs. 49 500/= |
| (c) Application fee | - Rs. 7 500/= (Non Refundable) |

(Candidates from non-state sector will be charged 50% more of the above listed fees)

Only online payment through the PGIM online portal will be accepted by the PGIM.

25. The application form could be downloaded from our website www.pgim.cmb.ac.lk

26. All examination applications and other documents will be collected through a Google form <https://forms.gle/RvYZbNMn5hiNZZQJ6> on or before **16th August 2024**. All applicants should have a Gmail account to access the Google form. The exam application with all relevant documents must be attached as a single pdf document since this portal does not allow uploading of multiple documents. **Please note that incomplete, handwritten, late submission and application sent via email will not be accepted.**

27. The candidates will be issued an “**Examination Feedback Form**” with the admission documents. Feedback in Part II should be limited to concerns, if any, regarding the conduct of the examination (eg. perceived biases, discriminatory behavior, harassment, intimidation) and NOT regarding the format or content of the examination. The form should be sent back to Director/PGIM under confidential cover **within 48 hours after conclusion of the examination. No concerns regarding the examination will be entertained after 48 hours of conclusion of the examination or following the release of results** nor will these be investigated by the PGIM.

28. The results will be valid and official after confirmation by the Senate of the University.
29. The selected candidates should report to the training unit allocated to him/her within one month on receipt of the letter of selection to the training programme and allocation to the training unit.
30. The candidates who pass the Selection Examination and are selected for the MD programme should undergo the Professionalism Strand organized by the PGIM. Please note that this is compulsory for all MD trainees and should be completed within first two years of pre-MD training. A certificate will be issued to trainees who completed this strand successfully
31. The orientation programme on “PGIM library resources and services” is mandatory for all postgraduate trainees who enter PGIM training programmes. Please refer library.pgim.cmb.ac.lk
32. A trainee following a PG Certificate or PG Diploma or MSc or MD programme shall not be permitted to sit another selection examination for a PG Certificate or PG Diploma or MSc or MD. If the trainee leaves the course before completion of a programme/course of study, he/she shall not be permitted to sit for another selection examination for a minimum period of two years from the date of leaving the programme/course of study. This rule shall not apply for online and part time courses.
33. Candidates are requested to visit the PGIM website for further updates. (www.pgim.cmb.ac.lk)
34. Please bring the contents of this Circular letter to the notice of all medical officers concerned in your department/division/faculty.
